All horses entering the grounds must be: from a property actively practicing good biosecurity principles within their management. Horse Health Declarations (HHD) are a mandatory requirement for all events. Please read HHD and ensure: # Your horses are shampooed, rinsed and allowed to dry, and their hooves are picked clean of all solid material and washed with shampoo # Your vehicles and equipment accompanying the horses are cleaned to remove all solid materials that could contain disease agents and then disinfected. Acceptance into the event will be refused if the required HHD is not presented at point of entry or designated registration point, as advised by the Organising Committee.

The Property Identification Code (PIC) of the horse's origin must be included on the HHD.
