

### **Article 210. Spread Obstacles – Oxer**

**FEI approved breakaway safety cups must be used** as support for the back pole of spread obstacles and, in the case of a triple-bar, to support the centre and back poles of the obstacle. Approved safety cups must be used in the exercise area and warm up arena, and training areas.

---

If NO FEI approved cups are available, you must only build vertical fences

---

Known suppliers of approved FEI cups in Queensland (there may be others):

- Riel [made in Germany]  
Contact Ken Jensen: [kenandra@bigpond.com](mailto:kenandra@bigpond.com). PH: 0418880019
- Riel  
Contact Kylie Zabel [KNK Metal Works, Meringandan West]:  
[knkmetalworks@bigpond.com](mailto:knkmetalworks@bigpond.com). Ph: 0429404840
- Jump for Joy: will only fit Jump for Joy wings. Will not fit key hole strips

### **WARNING:**

Ferrari sell breakaway cups advertised as made to FEI standard, **BUT THEY ARE NOT FEI APPROVED.**
