### **STATE DRESSAGE, COMBINED TRAINING & HORSE TRIALS CHAMPIONSHIPS 2024**

It is my true pleasure, on behalf of Zone 2 Pony Clubs and the Organising Committee, to invite all competitors, their families and friends to join us at the Beaudesert Showground and Tamborine Pony Club Grounds in July for the 2024 PCQ State Dressage, Combined Training & Horse Trials Championships.

Zone 2 consists of 12 Clubs – Beaudesert, Cedar Creek, Greenbank, Jimboomba, Fassifern, Mudgeeraba, Nerang, Oxenford, Rathdowney, Southport, Tallebudgera, and Tamborine. Our clubs have worked tirelessly together to ensure our venues are well prepared. The Beaudesert Showground is a fantastic facility with ample camping, stabling and excellent amenities. The Team at Beaudesert Showgrounds always go above and beyond the call of duty and have done a super job of getting the facilities ready for our July Championship events. Nearby, the Tamborine Pony Club's grounds is also prepped for all the cross country action. Each year Tamborine Pony Club attracts return competitors from all regions of Qld and northern NSW as the riders and spectators alike highly regard our cross country course.

Beaudesert Showgrounds is situated just south of the town centre and Tamborine Pony Club Grounds is situated at the base of Tamborine Mountain, approximately 17km from the Beaudesert Showgrounds.

While in our area please keep in mind that there are always great events happening within the Scenic Rim! Check out the local guides on the Council website ([www.scenicrim.qld.gov.au](http://www.scenicrim.qld.gov.au)). The Scenic Rim region is a thriving rural paradise set in the foothills of the Great Dividing Range and surrounded by world heritage listed national parks. The region covers 4248sq km and is located an hour south of Brisbane and an hour inland from the Gold Coast. Known for its breathtaking scenery, it is a popular tourist destination offering visitors plenty to see and do. From its myriad of wineries and art galleries to expansive bushwalking tracks, state of the art equine facilities, growing rural communities and friendly country charm, the Scenic Rim region is a must see destination.

Supported by a thriving economy, a farming industry and a vibrant arts community, the Scenic Rim has a strong community spirit and friendly locals. There is something for everyone. We hope if you are coming to compete, you can stay a few days and enjoy our town and surrounding area.

Finally, Pony Club events would not be possible without the amazing support of our volunteers and sponsors. As well as your horses and gear please pack your smiles and thank you's for our volunteers and keep in mind our generous sponsors for their valuable assistance and prizes. Each sponsor has been chosen specifically with our equine community in mind and we hope those attending will be able to give back in some way to their businesses (whether it be product purchases or online/word of mouth support).

We look forward to offering a warm welcome to everyone in July 2024 and trust you have safe travels to our great competition.

Yours Sincerely  
Jillian Bird  
President, Zone 2 Pony Clubs Inc.

## SIZE GUIDE

### BODY MEASUREMENT GUIDE

Biz Collection apparel sizes are designed to fit average industry standards for the below body measurements. Please use this handy Body Measurement Guide to compare your own measurements and help you determine which size to order.

### FIT TIPS

If one of your measurements is on the borderline between two sizes, order the smaller size for a tighter fit or the larger size for a looser fit. If your measurements for hips and waist correspond to two different suggested sizes, order the one indicated by your hip measurement.

### GARMENT TO GARMENT COMPARISON

An alternate method is to compare your own garment size to ours. You can do this by measuring the ½ chest of your garment (laid flat, measured 0.5in below the sleeve join, from side seam to side seam) and compare it to ours. Please refer to the individual garment measurements, shown on each style page, to determine your garment to garment size comparison.

### LADIES

**BUST** Measure under your arms around the fullest part of your chest, keeping the measuring tape horizontal.  
**WAIST** Measure around the narrowest part, keeping the tape horizontal (typically where your body bends side to side).  
**HIP** Measure around the fullest part of your hips, keeping the tape horizontal.
