

All experienced PCQ members are encouraged to consider qualifying as a TD as there is a high demand for qualified TDs and those in the process of becoming accredited as TDs would appreciate guidance.

It is an essential requirement of PCQ that an approved TD be in attendance at all:

- PCQ Official Horse Trial competitions:  
Horse Trials are a combination of 3 disciplines and thus a broad understanding of all 3 disciplines are desirable
  - PCQ Official Dressage competitions:
  - PCQ Official Combined Training competitions:
  - PCQ Official Showjumping competitions:
  - PCQ Official Jumping Equitation competitions
- a) Official events in these disciplines cannot occur without the attendance of a TD.
- b) TDs can be from the list of Official PCQ TD's or can be an approved EA/EQ TD for Horse Trials, Dressage and Showjumping.
- c) Unofficial events are not required to have an official TD; however, these events often do have one. It is also an opportunity to gain experience as a TD.
