## **OUR BIOSECURITY POLICY**

All horse owners and competitors should be aware that you have a biosecurity obligation to take all reasonable steps to ensure your activities do not spread a pest, disease or contaminant.

Competitors are asked to ensure good biosecurity practices at home and at the event and to follow the instructions of the organising committee and the Biosecurity Manager or risk expulsion from the event.

All horses entering grounds must be from a property actively practicing good biosecurity principles within their management.

Horse Health Declarations (HHD) are a mandatory requirement for all events. Please read the HHD form and ensure:

- Your horses are shampooed, rinsed and allowed to dry, and their hooves are picked clean of all solid material and washed with shampoo
- Your vehicles and equipment accompanying the horses are cleaned to remove all solid material that could contain disease agents, and then disinfected

Acceptance into the event will be refused if the required HHD is not presented at point of entry or designated registration point, as advised by the organising committee.

The property identification code (PIC) of the horse's origin must be included on the HHD

- Competitors are required to advise the event organisers immediately if a horse is sick. Stop all nonessential contact with the sick horse. Do not allow children to have close contact with the sick horse.
- Everyone handling horses should wash or sanitize hands between contacting different horses.

## **WHAT TO EXPECT IN THE UNLIKELY EVENT OF A BIOSECURITY INCIDENT**

- In the unlikely event of a biosecurity incident, the Biosecurity Manager and the organizing committee will implement our event biosecurity plan.
  - You will be notified about the incident and expected to follow the directions given by the organizing committee.
