ONE DAY EVENT

26-27 APRIL 2025

HOSTED BY YEPPON HACK & PONY CLUB

57 Millroy Dr, Barmaryee QLD 4703

- Riders cannot choose to upgrade on the day of the competition. This must be applied for and approved prior to the competition. Riders MUST compete in the class that is on their card. Those with an Introductory card, may also compete in Pre-Introductory (Sect 8c). A horse is allowed to ride down one level from that stated on the performance card without penalty. If the horse competes at two or more levels down from what it has on its performance card, ten penalties will be added to its total.
- Seniors nominating in Preliminary or above, must be competing in this level at EA events. If horse/rider are riding up from Introductory for the first time, then copies of 3 MERs need to be supplied to the Club with the nomination. If rider/horse has no previous eventing history, Senior is to compete in Pre-Introductory or Introductory only (preferably pre-intro). Performance cards for official classes & Horse Health Declarations to be handed to Secretary before the start of the event.
- Performance cards are required for Classes 1 – 7 and must be handed to the Office prior to the commencement of event (please complete details of day in your cards before handing it in).
- If rider does not have performance card on the day of competition, ribbons and trophies are withheld until it is produced. Nominations that do not have Horse Registration Number AND riders do not have performance card on the day, riders will compete HC.
- All entries must include the name of a helper (jobs to be allocated by organisers).
- No transferring of classes after entries close, unless horse has been upgraded, otherwise rider will compete HC in new class.
- All competitors must be current Riding Members of PCQ.
- All dressage tests from EA website 2020 - <https://www.equestrian.org.au/Eventing-Dressage-tests>

BIO SECURITY

Horse health declarations must be handed to the organising committee before start of completion. Horse Health Declarations can be down loaded from <http://www.qld.equestrian.org.au/sites/default/files/EQ%20Horse%20Health%20Declaration.pdf>

We take biosecurity seriously and have measures in place to mitigate the risk of infections, diseases and pests.

OUR BIOSECURITY POLICY

All horse owners and competitors should be aware that you have a biosecurity obligation to take all reasonable steps to ensure your activities do not spread a pest, disease or contaminant.

Competitors are asked to ensure good biosecurity practices at home and at the event and to follow the instructions of the organising committee and the Biosecurity Manager or risk expulsion from the event.

All horses entering grounds must be from a property actively practising good biosecurity principles within their management.

Horse Health Declarations (HHD) are a mandatory requirement for all events. Please read the HHD form and ensure:

Your horses are shampooed, rinsed and allowed to dry, and their hooves are picked clean of all solid material and washed with shampoo

Your vehicles and equipment accompanying the horses are cleaned to remove all solid material that could contain disease agents, and then disinfected.

Acceptance into the event will be refused if the required HHD is not presented at point of entry or designated registration point, as advised by the organising committee.

The property identification code (PIC) of the horse's origin must be included on the HHD.

Other biosecurity and workplace health and safety measures that aim to provide the safest environment for horses, competitors, volunteers and visitors include:

- No horses or dogs with signs of illness are to be brought onto the grounds
- No communal horse water troughs are available at this event
- Do not share equipment, including food and water containers, between horses.
- Competitors are responsible for cleaning up manure from yards and placing it in designated areas. Please use your own rake/shovels
- Competitors are required to advise the event organisers immediately if a horse is sick. Stop all non-essential contact with the sick horse. Do not allow children to have close contact with the sick horse.
- Everyone handling horses should wash or sanitise hands between contacting different horses.

OUR BIOSECURITY PLAN

Our event biosecurity plan is a set of preventative control measures and actions aimed at reducing the risk of infectious diseases and pests on and off the venue, and between horses at the venue.

WHAT TO EXPECT IN THE UNLIKELY EVENT OF A BIOSECURITY INCIDENT

In the unlikely event of a biosecurity incident, the Biosecurity Manager and the organizing committee will implement our event biosecurity plan.

You will be notified about the incident and expected to follow the directions given by the organising committee.

Everyone will be expected to remain at the venue until cleared to leave by the organising committee and Biosecurity Manager.

In the event of horse movement restrictions participants are responsible for the care, maintenance and cost of their horses and themselves, including feeding, bedding, vets and personal needs.

If a horse is confirmed to have an infectious disease the owner/ lessee will be responsible for all vet cost and if venue is locked down and quarantined will be responsible for all cost associated with this.

Please note, our full Biosecurity Plan can be found at our event office.
